

FLAT SCREEN WALL MOUNT FOR SCREENS UP TO 65"

B-Tech Elements products offer the core traits that B-Tech is known for, exceptional build quality, strength, and reliability, without some of the premium features typically reserved for our flagship mounts. Designed for medium to large-sized screens, the **BT5441** is a slim profile flat screen wall mount capable of mounting displays of up to 50kg at a depth of just 27mm from the wall. Perfect for hospitality and similar applications, the mount includes a universal interface compatible with VESA patterns up to 450 x 400mm. For added convenience, built-in lateral adjustment and a quick-release locking mechanism are featured, ensuring a flexible, hassle-free installation.
