

75SERIES

In-Line 5G Filter with DC By-Pass

- In-line 5G filter
- Bi-directional DC pass for use with pre-amp
- Fully Screened
- 5-694MHz frequency range
- Wall mounting screw holes
- 5G rejection up to 65dB
- F connections

Technical Specification	
Specification	FILT700L
No. of Inputs	1
No. of Outputs	1
Frequency Range	5-694MHz
Insertion Loss	<2.5dB
Return loss IN/OUT	>12dB
Rejection 694-862MHz	>65dB
Operating Temperature	-20° to + 70°C
DC Pass	12V 100mA (Bi-directional IN/OUT + OUT/IN)

DW24/09
