Premier Elite 32XP-W	GCA-0001	Wireless 32 Zone Expander
Premier Elite RM8	CCK-0001	Relay Module with 8 Relay Outputs

Premier Elite Power Supplies

Energy efficient switch mode power supplies with universal voltage input for use around the world.

Product Name	Part Code	Description
Premier Elite PSU200	HAA-0001	Energy Efficient 2.5A Switch Mode Power Supply
Premier Elite PSU200XP	CCJ-0011	Energy Efficient 2.5A Switch Mode Power Supply with Premier Elite 8XP Expander

Communicator Modules

Texecom's range of interchangeable Premier Elite Communicators offer a variety of protocols, interface formats & multi-path transmission routes to fulfil any signalling requirement.

Premier Elite ComIP

Allows connection from the Premier Elite Series control panels to a Local or Wide Area Network (LAN/WAN). This allows alarms to be signalled over an IP network to an alarm receiving centre via Texecom's Montex Software.

Premier Elite ComGSM

Provides SMS text messaging for communication of alarm events, remote control & remote diagnostics.

SmartCom

Ethernet and WiFi communicator

Communicator for connecting Premier Elite systems to Texecom Connect and Texecom Cloud

SmartCom 4G

Ethernet and WiFi 4G communicator

SmartCom with added 4G connectivity for cellular or dual path connectivity. Onboard eSIM offers global roaming access and service subscription through Texecom Cloud.
