SurfaceBox [55]

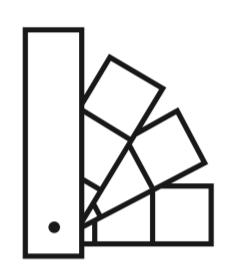

Surface mounting box
for one LightSwitch or Outlet device

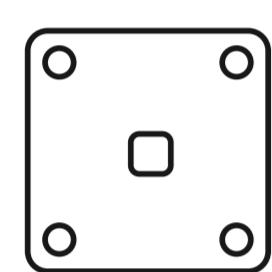

SurfaceBox [55] is designed for surface mounting of Ajax light switches and outlets when it is difficult or impractical to embed devices directly in the wall. The box perfectly matches the color and shape of LightSwitch and Outlet devices, creating a coherent look that complements any interior.

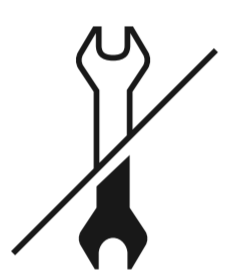

Compatible with all Ajax light switches and outlets¹

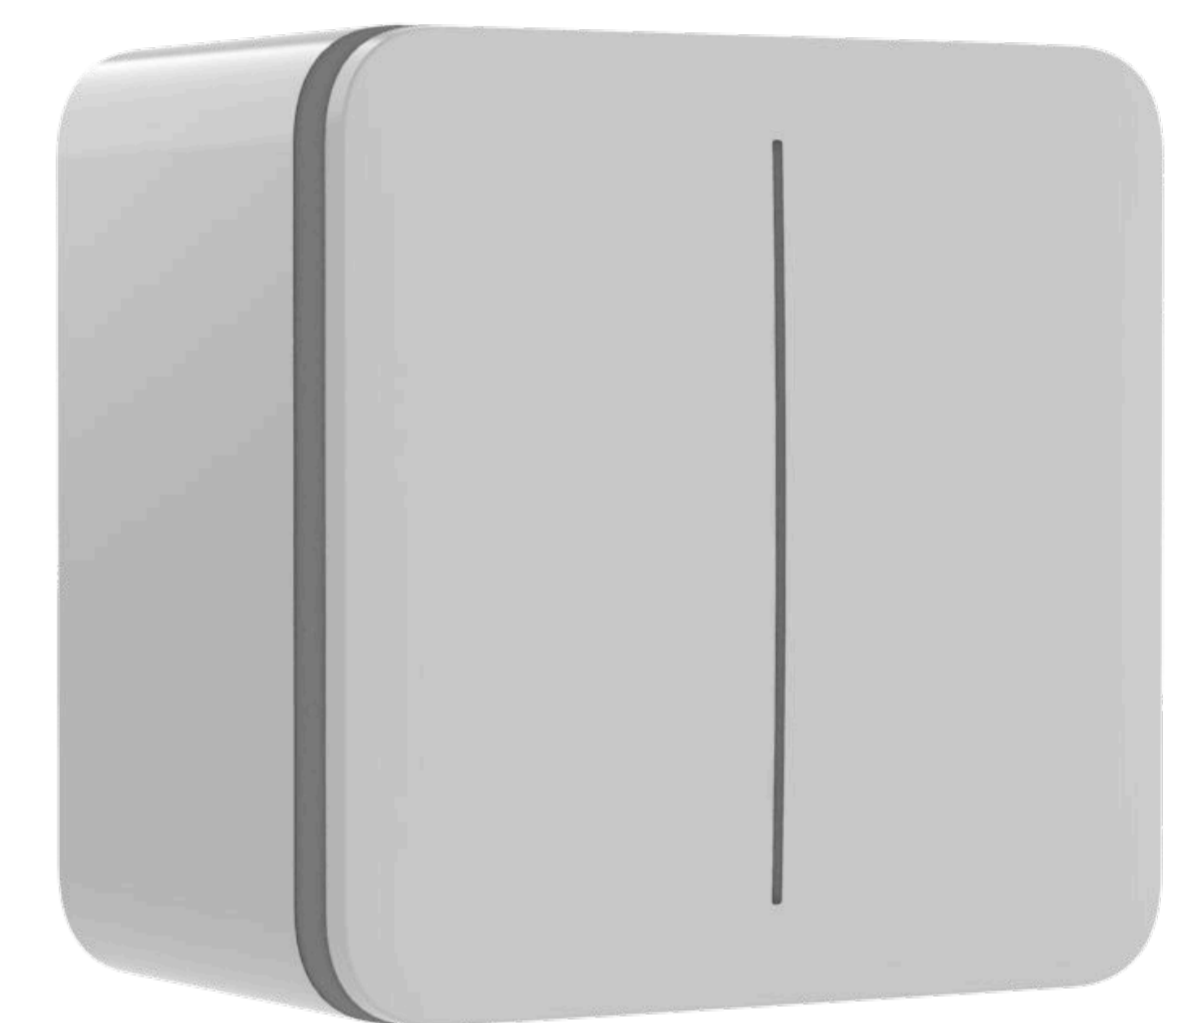

Compact design identical to the LightSwitch and Outlet eight-color palette²

Suitable for installation on various surfaces

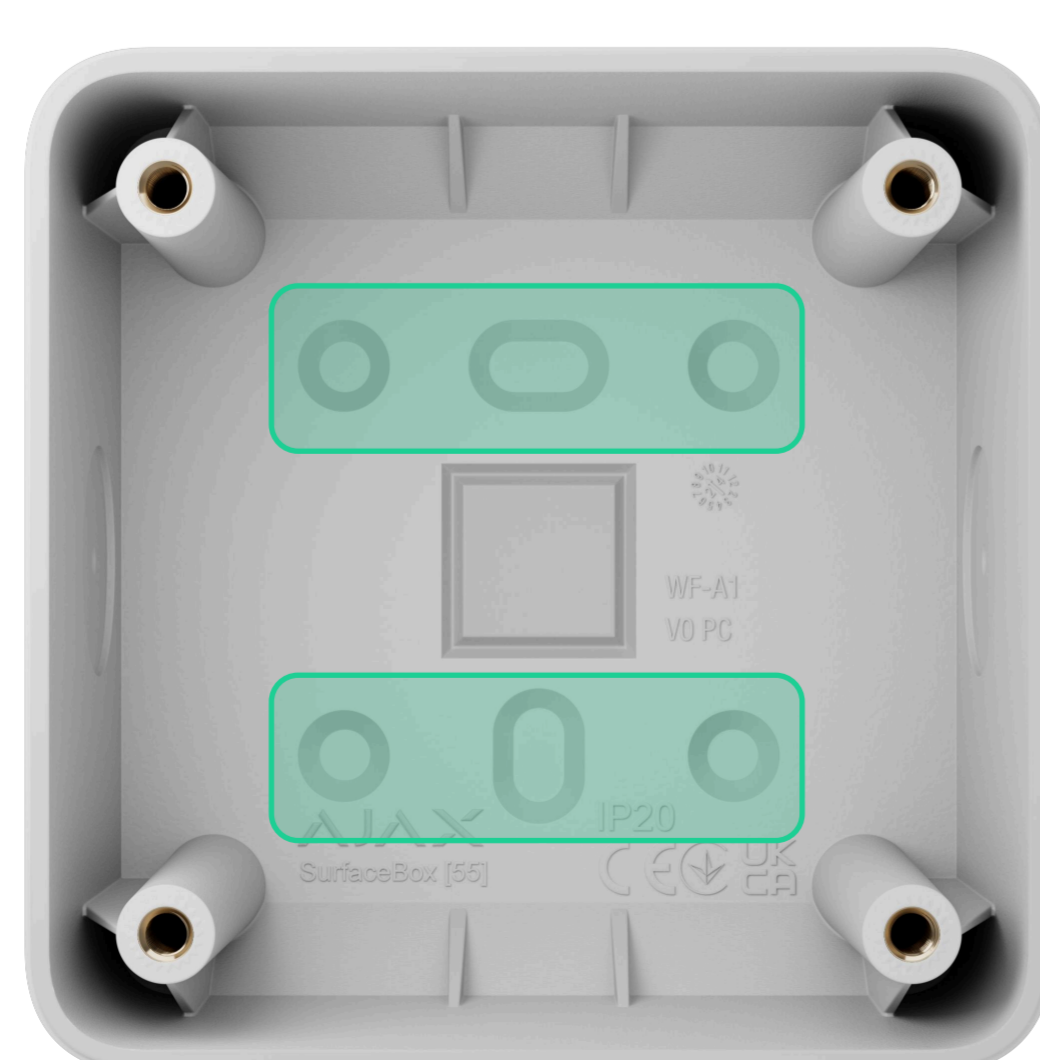

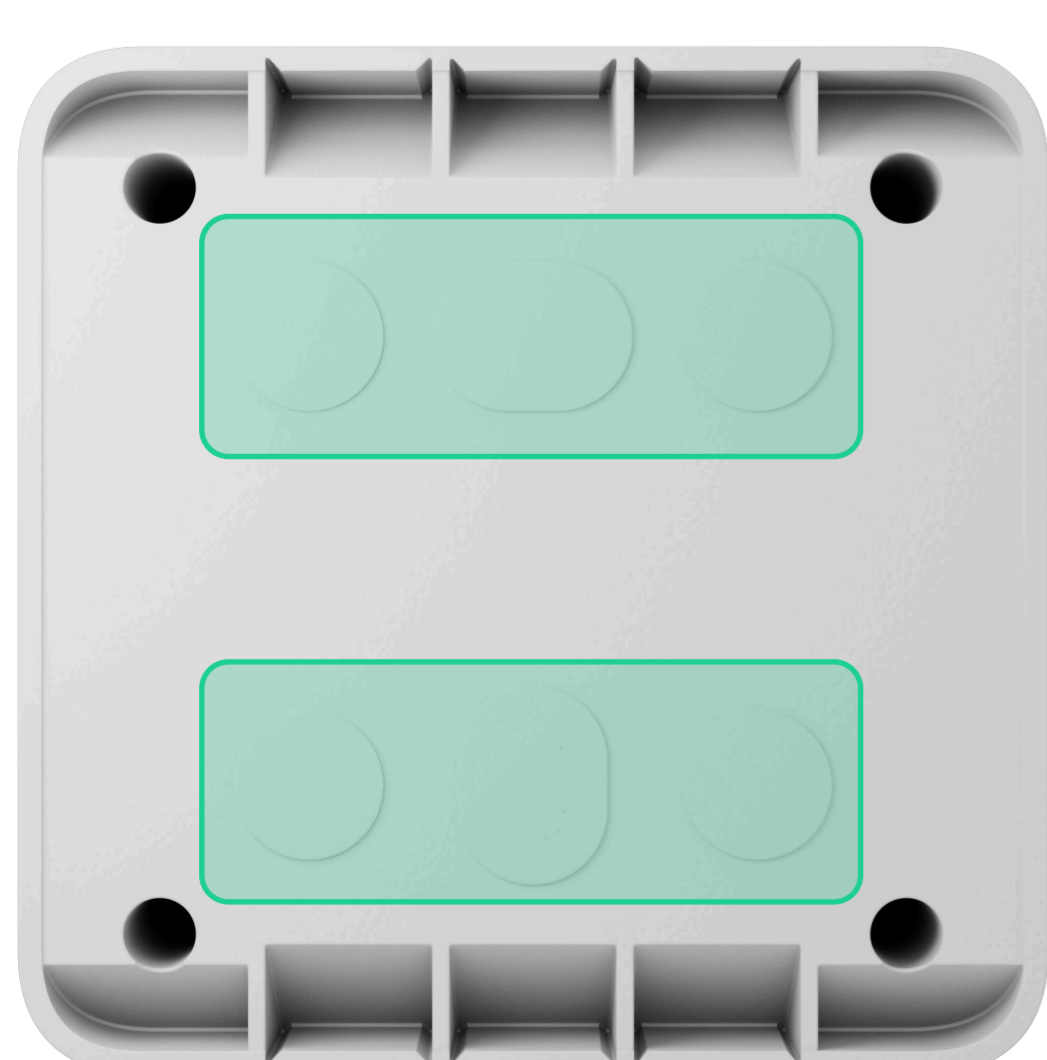

Effortless mounting with no need for in-wall installation

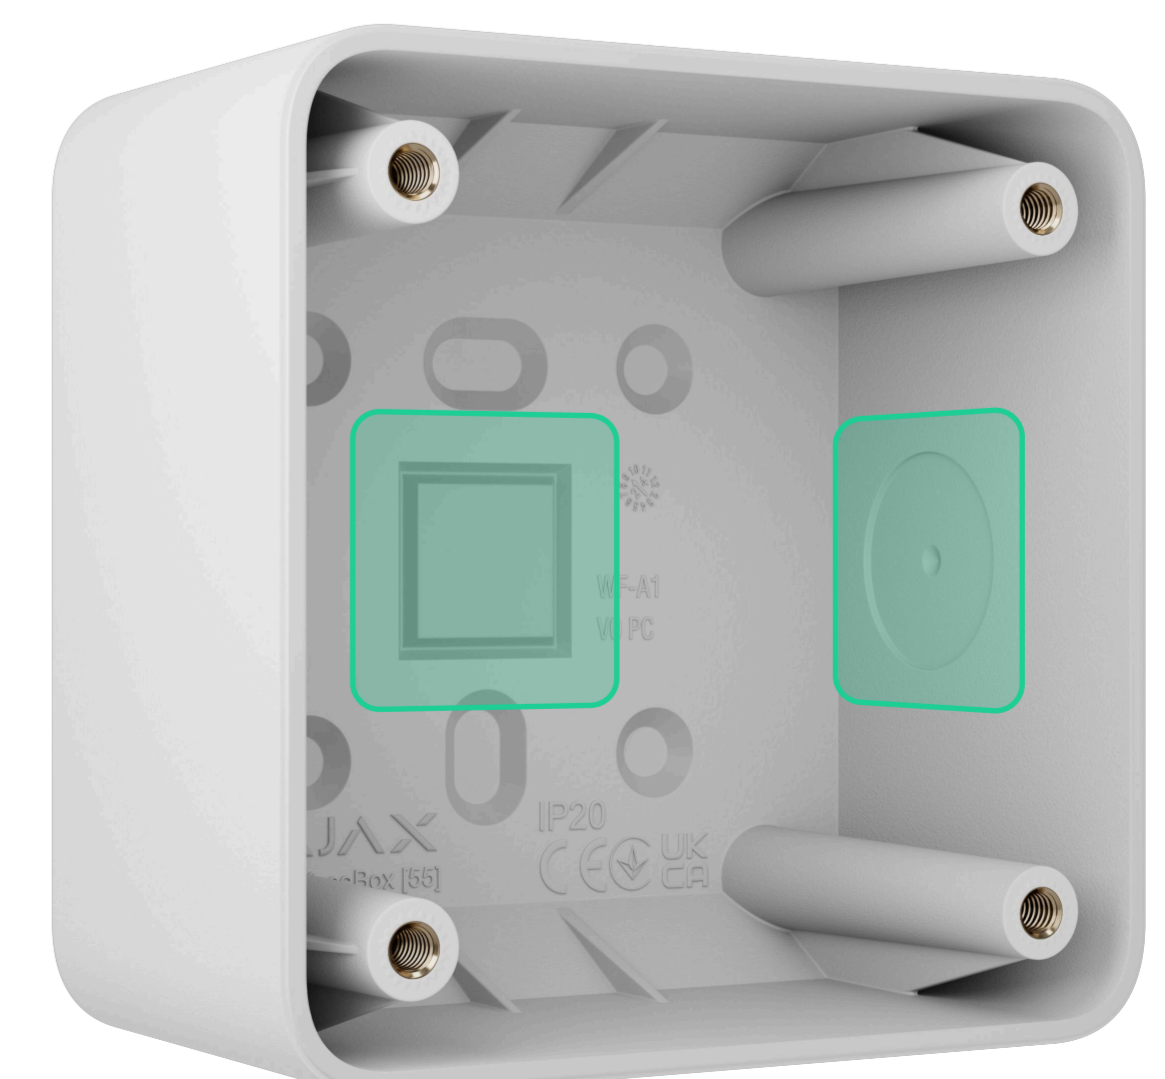

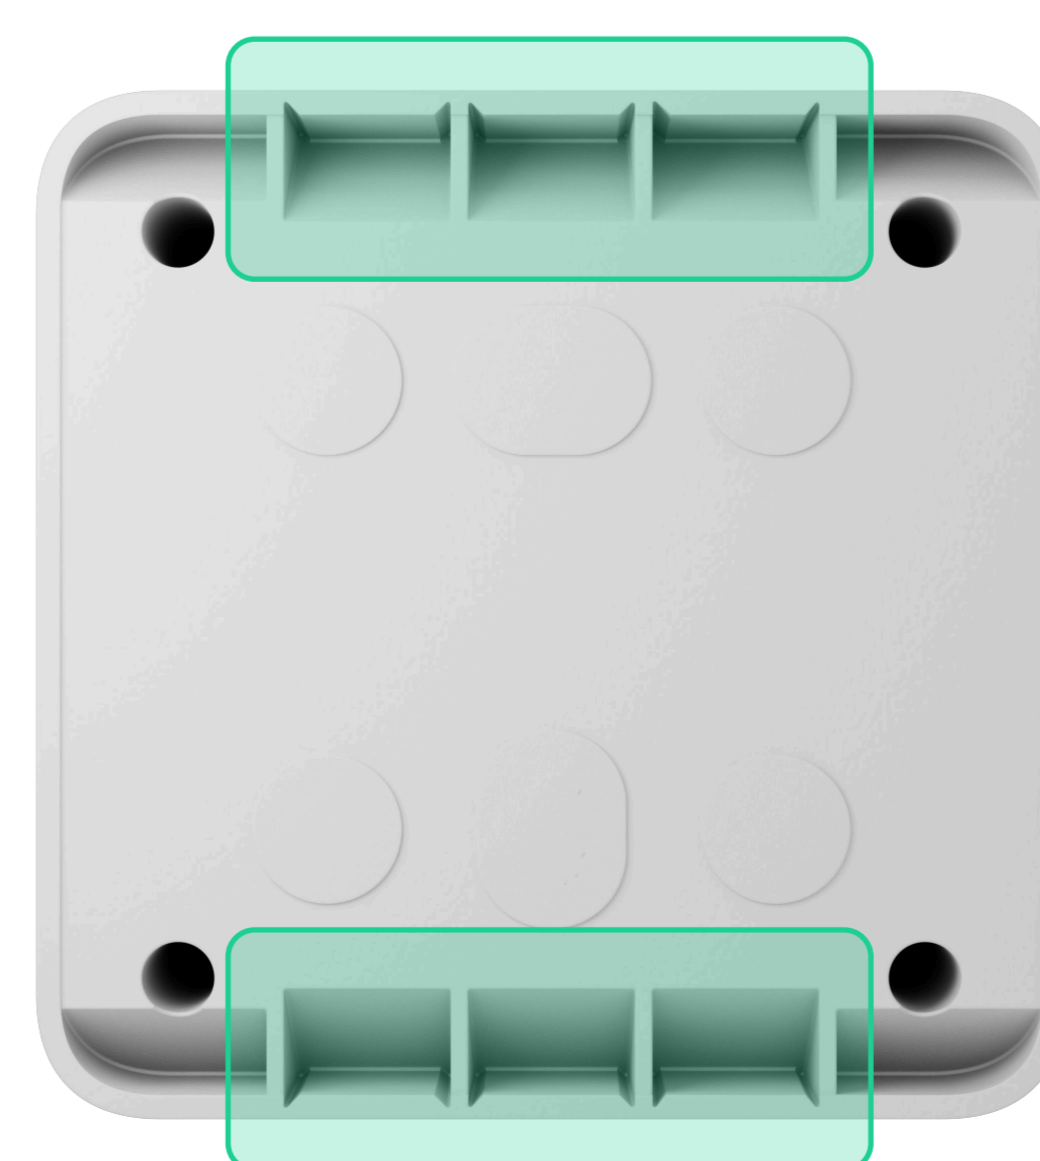

Versatile installation with prepared fixing points

For wall mounting

For wiring

SurfaceBox [55] is sold separately from Lightswitch and Outlet devices.
